## **Electronic Giving**

There are two ways to give electronically: PushPay & Electronic Funds Transfer (EFT). Both are convenient & reliable ways to fulfill your financial commitment to the church. Most importantly, both help to maintain a predictable cash flow.

**1) PushPay** can be accessed via [peopleofgrace.org/give](http://peopleofgrace.org/give). With PushPay you can set up one-time & recurring donations. You manage the source (credit card or bank account), date, & amount of your giving. With PushPay your donations are automatically entered into your giving record on Grace Connect.

I/We choose to give electronically through PushPay.

**2) EFT** giving is managed by church staff using bank routing & account information from a voided check.

I/We choose to give electronically through Electronic Funds Transfer (EFT).

For EFT giving, please use the bank account information currently on file.

For EFT giving, attach a voided check which has account information for withdrawals. Withdrawals will begin on January XX, 2024, unless otherwise specified.
